

CurncyStockie

Dainis Gorbunovs & Sami Alabed

Bloomberg

The idea

- A user wants to find the current price of a stock
- They do not have internet connection
- But have cellular network

CurncyStockie comes in <stock name> stocks

- A user types in “GOOG stock”

They get the latest price of the GOOG (Google) stock.

Send SMS to: +44 1212 85 2986

CurrencyStockie comes in <currency from><currency to> currency

- A user types in “GBPEUR currency”

They get the latest currency exchange rate between GBP and EUR.

Send SMS to: +44 1212 85 2986

CurncyStockie comes in
<amount> <currency from><currency to>
currency

- A user types in “13.37 GBPEUR currency”

They get the currency exchange rate and the total converted value.

Send SMS to: +44 1212 85 2986

Future ideas

- Users can buy and sell stock using Braintree
- Users can enquire statistical info about companies

The END

Now we can all go and have some sleep
